Close the door, light the light. We're stayin' home tonight,  
C Am F G7  
far away from the bustle and the bright city lights.  
C Em F C  
Let them all fade away. Just leave us alone.  
C G7 C  
And we'll live in a world of our own.

C F G C  
We'll build a world of our own that no one else can share.  
Am D7 G7  
All our sorrows we'll leave far behind us there.  
C E7 F C  
And I know you will find there'll be peace of mind  
C G7 C  
when we live in a world of our own.

C F C  
Oh my love, oh my love, I've cried for you so much.  
C Am F G7  
Lonely nights without sleeping while I longed for your touch.  
C Em F C  
Now your lips can erase the heartache I've known.  
C G7 C  
Come with me to a world of our own.

C F G7 C  
We'll build a world of our own that no one else can share.  
Am D7 G7  
All our sorrows we'll leave far behind us there.  
C E7 F C  
And I know you will find there'll be peace of mind  
C G7 C  
when we live in a world of our own.

C E7 F C  
And I know you will find there'll be peace of mind  
C G7 C  
when we live in a world of our own.
