

Country Boy

D
Now I grew up down an old dirt road
C B
In a town you wouldnt know
C B
My pop picked a place up for fifteen hundred bucks
C D
Back in 1964

D
My grandfather was a drinker
C B
Back in the day he put em down
C B
But a war is known to change a man
C D C B
And the whiskeys known to change a man but.....

C D
Thats not me
C B C D
I rarely drink from the bottle but Ill smoke a little weed
C B
I still live in the sticks where you wouldnt go
C D
In a town of twelve hundred off an old dirt road
C B C D
And a country boy is all Ill ever be....

D
Now its been twelve years since I sold my soul
C B
To the devil in L.A.
C B
He said sign your name here on the dotted line
C D
And your songs they all will play

D
He set up shop on Sunset
C B
He put me up at the Marquis
C B
He said you want to sell a million records boy
C D
You better listen to me

C B
He said change your style, whiten your smile

C D
you could lose a couple pounds

C
And if you want to live this life

B
You better lose that wife

C D
Do ya need your friends around?

C B C D
I said.. No thats not me

C B C D
Cause the biggest things in life are your friends and family

C B
And I like my jeans and my old tshirts

C D
and couple extra pounds never really hurt

C B C D
And a country boy is all Ill ever be....

F G D
Cause Hank taught me just how to stay alive

F G D
Youll never catch me out the house without my .9 or .45

F G
I got a big orange tracker and a diesel truck

D
My idea of heaven is chasing white tail bucks

F G Am
And as a country boy I know I can survive

D
Now two flags fly above my land

C B
That really sum up how I feel

C B
One is the colors that fly high and proud

C D
The red, the white, the blue

D
The other ones got a rattlesnake

C B
with a simple statement made

C B
"Don't Tread On Me" is what is says

C D
and I'll take that to my grave

C B C D
Because..... this is me

C B C D
Im proud to be American and strong in my beliefs

C B
And Ive said it before but Ill say it again

C D
Cause I never needed a government to hold my hand

C B
And Ive said it before but Ill say it again

C D
Cause my familys always fought and died to save this land

C B C D
And a country boy is all I'll ever be....
