## English Translation of the original Welsh words

There standing between the myrtle  
Is an object worthy of my thoughts;  
Even though I barely know Him  
He is above all worldly objects:  
Hail the morning! Hail the morning!  
I may see him as he is,  
I may see him as he is.

Rose of Sharon is His name  
White and flushed, beautiful in appearance!  
He is better than ten thousand  
Of the best objects of the world;  
Friend of the sinner! Friend of the sinner!  
Here's the pilot on the sea,  
Here's the pilot on the sea.

What is there for me any more  
In the base idols of earth?  
I testify that their company  
Is nothing compared to that of the great Jesus.  
Oh, to stay! Oh, to stay!  
In his love all the days of my life,  
In his love all the days of my life.
