The old home town looks the same As I step down from the train
D **A7**
And there to meet me is my momma and my pappa
D **D7** **G** **G7**
And down the road I look and there runs Mary hair of gold and lips like cherry
D **A7** **D**
It's good to touch the green green grass of home

D **D7** **G** **G7**
Yes they'll all come to greet me arms a reaching smiling sweetly
D **A7** **D**
It's good to touch the green green grass of home

D **G** **D**
The old house is still standing Though the paint is cracked and dry
D **A7**
And there's that old oak tree that I used to play on
D **D7** **G** **G7**
Down the lane I walk with my sweet Mary hair of gold and lips like cherries
D **A7** **D**
It's good to touch the Green Green Grass of Home

D **D7** **G** **G7**
Yes they'll all come to greet me arms a reaching smiling sweetly
D **A7** **D**
It's good to touch the green green grass of home

D **G** **D**
Then I awake and look around me at the four grey walls that surround me
D **A7**
And I realize that I was only dreaming
D **D7** **G** **G7**
For there's a guard and there's a sad old Padre, arm in arm we'll walk at daybreak
D **A7** **D**
Again I'll touch the Green Green Grass of Home

D **D7** **G** **G7**
Yes they'll all come to see me in the shade of the old oak tree
D **A7** **G**//// **D**/
As they lay me 'neath the green green grass of home
