

Let It Be Christmas

G C G D

Let it be Christmas everywhere

In the hearts of all people both near and afar

Christmas everywhere

Feel the love of the season wherever you are

On the small country roads lined with green mistletoe

Big city streets where a thousand lights glow

Let it be Christmas everywhere

Let heavenly music fill the air

Let every heart sing let every bell ring

The story of hope and joy and peace

And let it be Christmas everywhere

Let heavenly music fill the air

Let anger and fear and hate disappear

Let there be love that lasts through the year

And let it be Christmas

Christmas everywhere

Let it be Christmas everywhere

With the gold and the silver, the green and the red

Christmas everywhere

On the smiles of all children asleep in their beds

In the eyes of young babies their first fallen snow

Elderly's memories that never grow old

Let it be Christmas everywhere
