

Silver Threads and Golden Needles (G)

G **C**
I don't want your lonely mansion with a tear in every room
C **G** **D**
I just want the love you promised beneath the silvery moon
G **G7** **C**
But you think I should be happy with your money and your name
C **G** **D7** **G**
And drown myself in sorrow while you play your cheatin' game

C **G**
Silver threads and golden needles cannot mend this heart of mine
G **D7**
And I'll never drown my sorrow in the warm glow of your wine
G **G7** **C**
You can't buy my love with money for I never was that kind
C **G** **D7** **G**
Silver threads and golden needles cannot mend this heart of mine

G **C**
I grew up in faded gingham where love's a sacred thing
C **G** **D**
You grew up in silk and satin where love's a passing game
G **G7** **C**
I know now you never loved me and I know I was a fool
C **G** **D7** **G**
To think your pride would let you live by the golden rule

C **G**
Silver threads and golden needles cannot mend this heart of mine
G **D**
And I'll never drown my sorrow in the warm glow of your wine
G **G7** **C**
You can't buy my love with money for I never was that kind
C **G** **D7** **G**
Silver threads and golden needles cannot mend this heart of mine
C **G** **F.....** **G**
Silver threads and golden needles cannot mend this heart of mine
