Smile (F)

```
F
Smile though your heart is aching
Am
Smile even though it's breaking
Dm            Fdim        Gm          D7
When there are clouds in the sky, you'll get by
       Gm
If you smile through your fear and sorrow
Bbm
Smile and maybe tomorrow
F                               Gm7      C7
You'll see the sun come shining through for you

F
Light up your face with gladness
Am
Hide every trace of sadness
Dm         Fdim        Gm7      D7
Although a tear may be ever so near
           Gm7
That's the time you must keep on trying
Bbm
Smile, what's the use of crying?
F                             Gm7
You'll find that life is still worthwhile
        C7    F
If you just smile
```
