Over in Killarney  Many years ago,
    C                          D7              G7
Me Mither sang a song to me  In tones so sweet and low.
       C              Am          C
Just a simple little ditty, In her good ould Irish way,
       F          C              D7          Dm7  G7
And I'd give the world if she could sing  That song to me this day.

C                Am        C   G7
Oft in dreams I wander  To that cot again,
  C                          D7              G7
I feel her arms a-huggin' me  As when she held me then.
       C                      Am              C
And I hear her voice a -hum- min'  To me as in days of yore,
          F          C              D7          Dm7  G7
When she used to rock me fast asleep  Outside the cabin door.
